Musical Comedy Show Here Monday Evening

Residents of this area of western Alberta are offered an opportunity to enjoy a tremendous evening of entertainment when "100 years of Musical Comedy" is presented in the Centennial Civic Centre

CHAMBER EXECUTIVE MEETING

Regular sessions of the Drayton Valley and District Chamber of Commerce are scheduled to resume and will start with a meeting of the executive on Thursday, September 21st. The meeting will be held at 7:30 a.m. in the Cardium Room of the Drayton Valley Hotel.

on Monday, September 25th.

The show is one of the Festival Canada on Tour organized by the Centennial Commission in co-operation with the provinces and committees across Canada.

"100 Years of Musical Comedy" is just that--a sparkling, liting, humorous survey of the musical stage hits of the past 100 years.

Beginning with the Victorian era and the triumphs of Gilbert and Sullivan, it includes works by Victor Herbert, Gershwin, Rodgers and Hart, Irving Berlin--all the great comedy song writers of a century.

Light Opera--Rose Marie, Showboat and others--and today's stage hits like "Hello Dolly" are all included in the performance.

The cast is a galaxy of outstanding Canadian artists--Harry Mossfield, Karl Norman, Shirley Milliner, Betty Phil-

lips, and Pearl Mossfield.

It's an exciting, stimulating entertaining performance for anyone who loves the songs and humor of musical comedy. It's really the best of musical comedy. Don't miss it.

Tickets for the show may be obtained from Gordon Hay, Ken Wardlow and at most local business places.

Rotary Club Plans Annual Auction Sale

The Drayton Valley Rotary Club plans to hold its annual auction sale again this fall.

Some items are already on hand for the sale but many more are needed to make the sale a success. Proceeds from the sale go into community betterment projects.

A canvass for saleable items will be made by members of the Rotary Club on Saturday afternoon, September 23rd and Monday, September 25th.

Residents who would like to help Rotary projects in Drayton Valley are asked to consider what they may have to offer and be ready when Rotarians visit Saturday or Monday.

F.M.H.S. Graduation Exercises Friday

Graduation exercises will take place at Frank Maddock High School in Drayton Valley on Friday, September 22nd.

Two interesting speakers will be featured as this year's exercises. Peter Loughheed, leader of the Provincial Progressive Conservative Party, official opposition in the Legislative Assembly, will speak at the afternoon ceremony commencing at 2:00 p.m.

The Hon. Robert Clark, Minister of Youth in the Provincial Government will speak at the banquet later in the afternoon which will be attended only by graduates and their guests.

It is hoped by the staff and students at F.M.H.S. that interested people will attend the afternoon exercises to hear Mr. Loughheed and see the graduates receive their diplomas.

A dance, to commence at 9:00 p.m. will feature the smooth sounds of Jack Child's Orchestra of Edmonton. Mr. Childs assured the graduation committee that the orchestra would play music designed to appeal to all ages.

T.B. Mobile Clinic Here This Week

The Alberta Tuberculosis Association mobile clinic will be in Drayton Valley this week.

The clinic will be set up and in operation in the Curling Rink on September 21st from 6:30 to 8:45 p.m.; and on September 22nd from 1:30 to 5:00 p.m. and from 6:30 to 8:45 p.m.

The association requests that all persons in the general area of Drayton Valley make a special effort to attend as films taken at an earlier clinic in August did not turn out due to malfunction of the machine.

Those persons that have a positive reaction to the tuberculin test should return to the clinic. Everyone is invited to attend whether you have registered or not as no one will be turned away.

Trailer Club Presents Cheque to Hospital

A presentation of a cheque for \$78 was made Saturday afternoon on behalf of the Western Canada Travelcade Club to the Drayton Valley Municipal Hospital, the money to go toward the purchase of a new wheelchair for the children's wing of the hospital.

The cheque was presented to Mrs. G.F. Jahnke, Hospital Matron, by Mr. Hugh MacKenzie of Drayton Valley,

president of the trailer club, sponsored by Avion Coach Company.

The club holds regular Sunday Church services during organized trailer outings and the collection donated to various charities and worthwhile undertakings and the Drayton Valley Municipal Hospital selected as the recipient of the collections at recent services.

Hugh MacKenzie (left) presents Hospital Matron, Mrs. G.F. Jahnke with a cheque to be used toward purchase of a new children's wheelchair. Don McKenzie, Chairman of the Hospital Board looks on at right.

Rubinoff and his famous \$100,000. Stradivarius violin will appear here under the sponsorship of the Drayton Valley Rotary Club on Friday, October 20th.

Rubinoff to Present Violin Program Here

Residents of Drayton Valley and surrounding area were assured last week of a musical highlight on Friday, October 20th when Rubinoff and his violin, internationally famed popular concert artist, appears at the Frank Maddock High School under sponsorship of the Drayton Valley Rotary Club, it was announced by Fred Raven, Rotary president.

Rubinoff and his violin, a long favorite American combination, is well-known to millions both from his current concert appearances, nationwide radio broadcasts with Eddie Cantor, television guestings, and his motion picture engagements. This tour is heralded as a concert "in tune with the times".

The famed musician will

bring here for his concert the fabulous Stradivarius violin which, insured for \$100,000, is reputed to possess the most beautiful tonal qualities in the entire world; and a brand new program of famous favorites loved by people everywhere. These compositions will have their premier performance as violin solos arranged and played by the maestro.

Tickets will be available soon.

Each year in the Province of Alberta, oil companies drill the equivalent of 2,000 miles into the earth, developing proven oilfields or looking for new ones.

Visit to Orient Described At First Meeting of U.C.W.

The first regular meeting for this season of the United Church Women was held September 12th in the Church with 26 members and guests present. A letter and a picture of our adopted Korean orphan was read. Soo Ok Park is now four years old and appears to be a very personable young lady.

Several members expressed interest in attending the U.C.W. 3rd Regional Conference to be held in Banff in October.

On September 25th, the women of Edmonton South Presbytery of which we are a member, will hold a one day rally at Rundle Mission on Pigeon Lake. The theme of the rally will be "The Roll of the Family in the Second Century." Drayton U.C.W. will be in charge of the devotion. Anyone interested in attending please contact Mrs. Carol Hoyland for more information.

The remainder of the evening was spent most enjoyably watching slides taken by Rev. and Mrs. Louise Martin during their recent trip to the Orient. Mrs. Martin is a most interesting speaker and reported that

the \$100 sent with them by our U.C.W. to be spent for mission work purchased a wheel chair, a suction machine and several uniforms for the Won Ju Christian Hospital in Won Ju, Korea. The Martins visited several places in the Orient but Mrs. Martin spoke to us about Korea where she says she left her heart. She showed examples of Korean art work in brass, inlaid laquer work and silks.

The next meeting date will be announced in The Western Review at a later date.

Mental Health Ass'n. Meeting

There will be an open meeting of the Drayton Valley Committee of the Canadian Mental Health Association in Council Chamber of the Town Hall on Thursday, September 28th at 8 p.m. Everybody welcome. Coffee will be served.

IT'S THE LAW

The following is an excerpt from Bylaw 361 of the Town of Drayton Valley:

No Throwing of Stones etc. 213. No person shall cast, project or throw any stones, or balls of snow, or ice, or other missiles dangerous to the public, or use any bow or arrow, catapult or other such contrivance in any of the streets, lanes or public places of the Town.

No Defacing Buildings 215. No person shall cut, hack, carve, daub with paint or in any other way injure, deface or disfigure any public or private building, wall, fence, railing, sign, monument, post, bridge or other property.

No Marking of Streets. 216. No person shall paint, chalk, stencil or mark any advertisement, legend or sign of any kind whatsoever on any street, lane or pavement in the Town, provided always that duly authorized City officials may in the discharge of their official duties paint, chalk, stencil or mark any of the said streets, lanes or pavements.

Molson Hockey Scholarships

The trustees of the Molson Hockey Scholarship Program in Alberta have announced the names of twelve winners of 1967 scholarships.

The awards are made on the basis of academic achievement, hockey proficiency, and good character. The program is sponsored by Molson's Edmonton Brewery and will cover the costs of tuition fees for first year university.

Mr. Edwin Zemrau, chairman of the Board of Trustees, said the Molson Hockey Scholarship Program was the first of its kind to be introduced in Canada. "The primary purpose of the program is to enable boys to further both their academic careers and carry on with their hockey interests in Canada," said Mr. Zemrau. "We are confident that these boys will be a credit both to their universities and to the great Canadian sport of hockey."

We Need the Best For These Jobs

Next Wednesday, September 27th, is nomination Day and should be getting the attention of residents of the Town of Drayton Valley as nominations will be accepted here for the offices of Mayor and two councillors.

Consideration should be given now to placing able people in these positions of responsibility. The offices are time consuming, often difficult and usually thankless--however they require the best the community has to offer. An endeavor should be made now to find such people prepared to devote their energy to community progress.

Adult Help Needed

An opportunity exists for adults in Drayton Valley to perform a valuable community service by helping young boys gainfully occupy some of their free time.

Leaders and assistants are badly needed in the Cub and Scout movement. In fact, the organization is now so short of adult help that the program may have to be curtailed with its attendant disappointment to young fellows who will be denied the opportunity of recreation and training.

At the present time ten leaders and assistants are looking after 150 boys. Double that number of adults are required to put the training program across satisfactorily.

If you could spare an evening a week and feel the Cub and Scout movement in Drayton Valley worthy of continued operation at fullest capacity you would be welcomed into the organization. Anyone who would like to help may contact any Cub or Scout leader at the Scout Hall on Monday, Tuesday and Thursday evenings.

Publicity Chairman . . . A Most Important Job

It's September again, and in the departments of cultural, recreational and social activities, most groups are starting up after a summer lay-off with new programs, and in many cases with a new executive. May we make a suggestion.

As new executives are being elected this fall, or as new programs are being started, would each organization make an effort to get themselves a good, effective publicity chairman. Active and successful organizations have found that such an office is a very important part of any executive, and it performs a most important function. Not just from the standpoint of local newspaper coverage, but in every phase of publicity, which no group can survive without.

And of course, it makes the job of your editor much less frustrating. It is the policy of The Western Review to lend every assistance to the various groups in town from the standpoint of publicity, but it just can't be done properly if we have to drag every little bit of information out of seemingly reluctant organization members.

The image of any town is reflected in the activities of its recreational, cultural and social organizations. They can only be brought to light through good publicity, and it must be the responsibility of each organization.

FLODEN - WIDEMAN

Berrymoor Church Setting For Wedding Ceremony

Bouquets of blue delphinium and candles decorated the altar of the Berrymoor Pentecostal Holiness Church on August 19th when Edythe Joanne Wideman of Berrymoor became the bride of Mr. Roy Walter Floden, eldest son of Mr. and Mrs. Walter Floden of Lindale.

The marriage vows were read by Rev. Allan Wideman, assisted by Rev. Wm. Annett of Red Deer.

Given in marriage by her father, the bride looked lovely in a floor-length gown of lace appliqued silk organza over peau de soie. The skirt fell into a train. Seed pearls and rhinestones adorned the bolero bodice. The bride's scalloped four-tier shoulder-length veil was held in place by a white rose. She carried a beautiful bouquet of yellow sweetheart roses with streamers.

Attending the bride as matron of Honor was Mrs. Ethel Tweedle, twin of the bride. Miss Shirley Gillespie, friend of the bride was bridesmaid. They wore identical dresses of yellow peau de soie, with a train falling from their empire waistline and carried bouquets of white carnations and apple blossoms with yellow puffs and ribbon. They wore yellow headpieces and white accessories.

Attending the groom as best men were Mr. Sam Tweedle and Mr. Allan Charbonneau, friends of the groom. Ushers were Mr. Kenneth Annett, cousin of the bride and Mr.

Allan Charbonneau of Edmonton.

Miss Beulah McAlister of Wetaskiwin was pianist. Mrs. McAlister, solist, sang "Together with Our Lord".

For her daughter's wedding, the bride's mother chose a dress of pink floral taffeta complimented by a corsage of white carnations and matching accessories.

Following the ceremony, a reception was held out of doors at the home of the bride's parents. A three-tiered wedding cake, beautifully decorated with yellow roses centered the bride's table.

Rev. Wm. Annett, uncle of the bride, was Master of ceremonies. Rev. Harvey McAlister of Wetaskiwin said grace and proposed the toast to the bride. Miss Beulah McAlister was in charge of the guest book.

For their honeymoon to Jasper and Banff the bride changed to a pink wool suit and pink hat with white gloves and shoes. Her corsage was of white sweetheart roses.

Out-of-town guests were from Edmonton, Wetaskiwin, Red Deer, Fleet, Castor, Hardisty, Telfordville, Lindale, Drayton Valley and Carnwood.

The happy couple will make their home in Drayton Valley.

Women who insist on wearing the pants in the family should expect cuffs on the bottom.

Thorsby F.G.A. Critical of Some Brazeau Dam Anglers

Some people fishing at the Brazeau Dam are creating "a real snelly problem" the Thorsby Fish and Game Association has charged.

A number of fishermen are not disposing of unwanted catches in the proper manner, spokesman Ben Grohn said this week following a three-man delegation report.

from Drayton Valley recently and helped his Dad thresh his grain.

He said people catching suckers or catfish often leave them lying on the bridge deck and that "as many as fifty fish" have been seen abandoned on the deck.

"These people should be barred from the area and should also lose their fishing license," he said.

The Fish and Game club president is to report the situation to the Fisheries Department, asking them to post a sign stating that it is illegal to dispose of fish in such a manner.

Pembina 4-H Crops Club Holds Annual Plot Tour

On August 23rd, the Pembina 4-H Field Crops Club held one of the most successful plot tours in years.

Thirty-eight people took part in the tour which began with everyone assembling at the District Agriculturist's of-

fice in town. During the day, seventeen plots were viewed and the annual weiner roast lunch was held at the H. Hutchison farm. The only change being that it was an indoors affair due to a very sudden shower.

Judging the plots were Mr. Doug Beinert, Regional Supervisor of 4-H for Northern Alberta; Mr. Earl Lowe, District Agriculturist for Stony Plain; and Mr. Grant Gillund, assistant to Mr. Lowe.

Three different types of plots were judged: the junior rod row projects which consist of at least twenty rows one rod long of grasses, legumes and grains. This project is primarily to acquaint younger members with the various field crops.

The intermediate projects which consist of one to three acre plots of wheat or oats planted from registered seed. This is to stress the importance of good seed for good crops.

And finally there were the senior projects. This project consists of thirty-two foot long rows of the same type as the junior project, that is, grasses, legumes and grains. One half of each row is fertilized and one half isn't. This is to show the value of fertilizer in crop growing.

Results of the three projects are as follows: Three top scor-

ers only. Junior rod row project, Ted Bruner, Allan Mazzeppa, Ernest Campbell; Intermediate Project, Shirley Hutchison, Walter Myschuk, Larry Rosadiuk; Senior Rod Row Project, Walter Myschuk, Shirley Hutchison, (only two members tried this project).

All in all it was a successful tour and the oft heard comment was the quality of improvement in the projects over last year's efforts.

Lodgepole Community Hall was the scene recently, when many friends in the town and district gathered to bid farewell to Mr. and Mrs. Fred Cox who are leaving to make their home in Wetaskiwin. Mr. Cox has been active in the work of the Scouts and as Scoutmaster has been engaged in many worthwhile projects. His son, Tim, was chosen as

one of the Scouts to attend the World Jamboree at Idaho.

The evening was spent in dancing. Refreshments were served and a presentation was made by Mr. Reg Knapp on behalf of those present.

We welcome to the Lodgepole teaching staff Mrs. Katherine Dykens of Saskatoon. Mr. and Mrs. Dykens will make their home here.

OCTOBER ADOPTION MONTH

The Province of Alberta, Department of Public Welfare faces a major crisis in its Child Welfare Program. "The problem to be faced is how can we find enough Adoption Homes for the steadily increasing number of children coming into the care of the Department", said the Hon. A.J. Hooke, Minister of Welfare, in a statement issued in connection with adoption month, October.

Last year over 1,300 children were placed for adoption. This year over 2,000 adoption homes are needed with parents

who want children and who love children enough to offer their homes to a child in need of adoption. With a steady increase in the number of children being born out of wedlock and the marked increase in the number of neglected children being made wards through the court, Mr. Hooke appealed to the citizens of Alberta to come forward and show that there are adopting parents in all parts of this province who can find room for one more child in their hearts and their homes.

During the month of October, in sixteen of the larger centres of the province, adoption meetings will be sponsored by the Department of Public Welfare to give information, to show pictures, and to provide an opportunity for couples interested in adopting a child to get first-hand information--without commitment--about how simple it really is to adopt a child.

Do you really know how much an adopted child could mean to your life and your family? The Department of

Public Welfare is willing to help you in every way possible to find out about and do something about adopting a child. Mr. Hooke said he was convinced that there are many hundreds of people in Alberta who have the erroneous idea that they can't adopt a child because they don't own their own home, because they don't have enough money in the bank, or because they think there is too much red tape involved in adopting a child.

Interested people are invited to write to or visit the nearest office of the Department of Public Welfare and arrange for one of the Department's social workers to see them and start on the road to a lifetime of happiness and joy, and in doing so insure that no child in need of an adoption home is denied one because of misunderstanding or lack of information.

During the month of October, the press, radio and TV will be appealing to you--the prospective adopting parent--to come forward. Add a little love to your life--adopt.

When you're short of time, baking can be a chore so here are some ways to take the bother out of baking.

Last week I told you that each kitchen utensil should be stored at its point of first use. The same applies to baking equipment.

Before you start, read the recipe to see which steps are to be done first. Then gather all the utensils and ingredients you'll need. The work will progress much more quickly than if you have to stop to hunt for the salt and then the corn syrup (at that point you may find you haven't got any).

Measuring utensils should be used first for dry ingredients and then for wet or sticky ones so you don't have to wash in between.

Beaters won't have to be washed if you use them to beat the egg whites before the yolks. Then rinse in cold water to prevent the egg from sticking.

The oven should be turned on before you start so it will be ready when you are.

Recipes clipped to a cupboard door at eye level are easy to follow and easy to keep clean (use a clamp type paper clip on a nail or use a magnet if cupboards are metal.

"Broiled" icings often are quicker to make than standard butter or creamed icings.

Book Presented to School

Bert Telford (right) agent for Northwestern Utilities in Drayton Valley is shown presenting a copy of "Alberta--A Natural History" to Barry Richer, principal of the Junior High School. Youngsters who were present when the photo was taken in the school library are, left to right, Robb LaBranche, Ronnie Glubs, Jimmy Greiner and Karen Machan. The 352 page book, edited by Dr. George Hardy of Edmonton, contains the complete story of Alberta's natural history written by 25 leading Alberta scientists and naturalists and illustrated with over 535 photographs and drawings. The book is the most comprehensive publication of its kind produced in Canada. It is the centennial project of the natural history societies of the province and its patrons, Northwestern Utilities, Limited, Canadian Western Natural Gas Company Limited, Canadian Utilities, Limited and Northland Utilities Limited.

D. V. Highlights

BY MRS. EDITH DEBY

Best wishes for future happiness are extended to Mr. and Mrs. Raymond Beland.

Mr. and Mrs. Jack Eamor have moved from the coast to Edmonton. The Eamors lived in Drayton Valley for several years.

Mr. and Mrs. Raymond Wade and Maureen were in Drayton Valley for a few hours last week. Maureen attends school in Switzerland. Mrs. Wade was evacuated during the recent political trouble. In the meantime the Wade family is travelling to such interesting places as Texas and London.

Mike Gormley was honored by the members of the Nightingale Soft Ball Team at an informal supper in the Cadium Room on September 14th. Under Mike's coaching the ladies had a most successful year the culmination of which was a win against Evansburg at the opening of the Lions West Valley Park. Rev. Fr. Lynch, who had assisted with coaching was also at the supper.

Funeral services were held in Edmonton on Tuesday for the late Guy F. Hollinshead. Mr. Hollinshead was Superintendent of Schools for Stony Plain S.C. 23 for some years. He is survived by Mrs. Hollinshead and a daughter. Since his retirement the Hollinsheads have been living in Calgary.

Teen Club Elects Officers

The first meeting of the 1967-68 term of the In Crowd Teen Club was held September 7th. Election of the executive was made with results as follows: President, Rick Bright; Vice-President, Cheryl Smith; Social Convenor Claudette Coutu; Secretary-Treasurer Brenda Kerr.

The first dance of the season will be held Friday, September 29th with The Heat playing.

A Hay Ride will be held Saturday, October 7th. The price is 75¢ per person and everyone must have a new In Crowd card to attend.

New In Crowd cards are now on sale and may be bought at the meetings.

Evansburg Woman Legion Auxiliary District Commander

Recently, at the Ladies' Auxiliary to the Canadian Legion Provincial Convention held in Banff, Mrs. Stella Lorenz was elected District Commander for District 2A. This term of office is for two years and she will be serving nineteen auxiliaries from Jasper to Clyde--from Ft. Assiniboine to Drayton Valley.

Mrs. Lorenz has been a resident of Evansburg for a good many years and has served the auxiliary in an active position for a long time. We congratulate her on her appointment.

What Is A Cub?

Once a male baby has grown out of dresses and diapers and has acquired pants, freckles, and so much dirt that visiting aunts do not care to kiss it between meals, it becomes a Cub.

Cub is nature's answer to that false belief that here is no such a thing as perpetual motion. A Cub can swim like a fish, run like a deer, climb like a squirrel, balk like a mule, bellow like a bull, eat like a pig, or act like a jack-ass, according to climatic conditions.

He is a piece of skin stretched over an appetite, a noise covered with snuggles. He is mother's little helper, dad's boy, sister's hair puller and Akela's necessary headache.

Cubs faithfully imitate their dads despite all efforts to teach them good manners. A Cub is not washed too often, will survive broken bones, horns, swimming holes, fights, nine helpings of pie and three energetic Cub Leaders.

At camp a Cub is never homesick, though he sometimes suffers from Toresickness. All day he keeps the leaders and the cook busy. For lunch after a busy morning of games and swimming, he will settle for three helpings of beef stew, and holler: "That was good, when do we eat?"

At night he sleeps like a rock, unless of course there are Martians outside his tent or inside his sleeping bag.

A new chum will joyfully announce to his parents that he will be "investigated" at the

next pack meeting or when transferred to a new pack, will write that his new Akela is "only a woman".

If asked to empty his pockets at inspection, he will produce: a key, 5 pennies, 3 stamps, his lost woggle, 2 love notes to the girl next door, bubble gum wrappers, 1 fire cracker without a wick, last week's good turn, and a carefully folded handkerchief (which is seldom used.)

A Cub can break a flag, break a window, or break his cubmaster with equal easiness.

Every Cub invested is evidence that there are still countless wonderfully patient, enterprising men (known as Old Wolves) who keep trying to co-ordinate and control these young bundles of vitality.

Every boy born is a potential Cub and, as such, concrete evidence that God is not discouraged of men.

A Cub is growing animal of superlative promise, to be fed, watered, and kept warm. A joy forever, a periodic nuisance, the problem of our times, the hope of the nation.

The sympathy of the community is extended to Mr. and Mrs. Gary Huber upon the death of Gary's cousin Harley Hansen. Also to Mr. and Mrs. Norman Hansen, Rose, Carol and Jim, former residents of Rocky Rapids who returned from Terrace, B.C. to attend the funeral.

Get well wishes to Mrs. J. Smith and Janice Corrothers who were both in Drayton Valley Hospital.

Congratulations to Mr. and Mrs. Ray Beland, nee Carol Townsend, on their marriage September 16th.

Orderly Training School Opened

A school for the training of hospital nursing orderlies for Alberta hospitals has opened in Edmonton. The school is unique to education in Canada and is maintained by the Division of Vocational Training for the Alberta Department of Education.

The school offers a thirty week course, and registered for the first class were fifteen adult students. During the period of training, students will be taught current medical and nursing theory, and they will gain practical experience by working with nursing personnel at local hospitals.

Entrance requirements for training as a nursing orderly include a minimum educational standing of Grade X or its equivalent. Applicants should be between the ages of 18 and 55.

Art Classes Start Soon

The Drayton Valley Community Art classes will resume on October 26th. There will be six lessons in all on a basis of once a month instruction.

Due to a change in policy of the Department of Extension, Assistance will be given to beginners between classes.

All interested persons are welcome to join. For further information call 542-3083 or 542-3952.

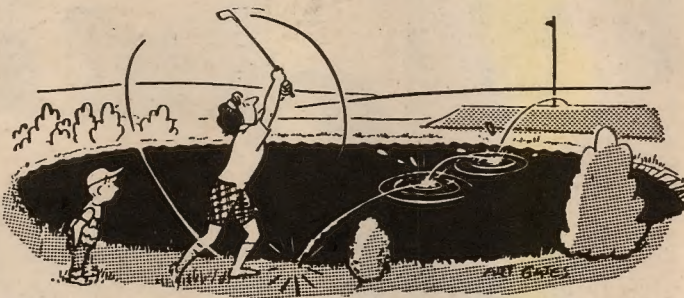

Youth Travel '67

By Jude Keast, Evansburg

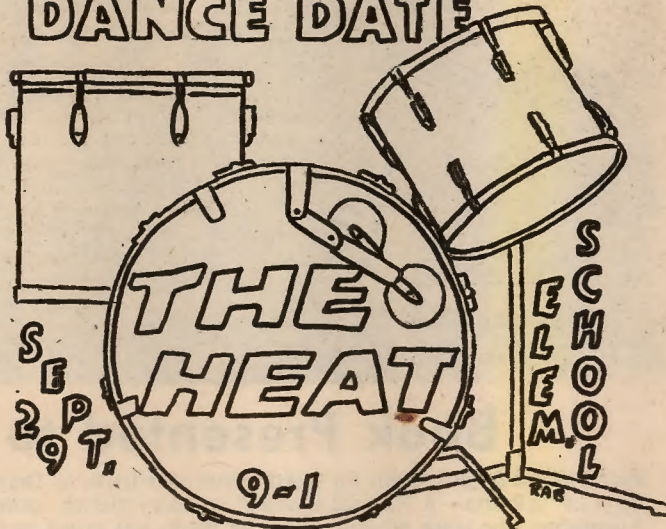

The day our Youth Travel group from Drayton Valley and surrounding district had waited for in anticipation began when we boarded the train at Edmonton. Two and one half days later we arrived by air-plane at Chicoutimi from Montreal. Upon arrival each of us was ushered with speed and precision to our appointed families with whom we were to be guests for a week. Thus began one of the greatest events in our lives.

We soon learned that except for a few customs and possibly the language, which was no barrier to intelligent conversation, that they were, like ourselves, average, everyday Canadians. It was not long before a true feeling of camaraderie set in and this coupled with the many tours that were arranged for us both furthered our understanding and knowledge of the people who live in the region of the Saguenay, of which Chicoutimi is a part. As a group we thoroughly enjoyed our stay which we thought was all too short.

We then flew back to Montreal, visited Expo which was magnificent, and left for Ottawa where we were given a guided tour of the capital area. Then our group began the long journey back home to Alberta.

Students See Paper Production

Youngsters from Mrs. Baker's Grade 3 class at the Elementary School visited The Western Review last Thursday to see the method employed in producing a newspaper. Some members of the class are shown above watching as Mrs. Yvonne Yurchak demonstrates the Varitype Headliner machine used to produce the larger type faces used in the paper.

Jackpot Gymkhana Held By Pembina River Riders

September 17th under warm and sunny skies the Pembina River Riders Gymkhana got under way at 11:00 a.m. with the Trail Horse Class. The top three horses in each class were picked and later performed during the gymkhana events in the afternoon.

Top horses in the adult class to go on were Kathy Sharp, Ed Lauer and Arno Johnson.

Intermediate Horses and riders were Larry Johnson, Dayton Gorsline and Judy Sheridan.

Junior horses and riders were Kim Donally, Ralph Johnson and Kathy Jefferies.

The Trail Class was won by: Adult, Arno Johnson riding Star; Intermediate, Dayton Gorsline riding Bobbi Soks; and Junior, Ralph Johnson riding Baldy.

Barrels: Adult, Gail Meston Bruce Whitlock and Cecil Sibley; Intermediate, Eddie Sheridan, Terry Sharkey and Dayton Gorsline and Judy Sheridan tied for third; Junior, Tommy Sharkey, Ralph Johnson and

Kathy Jefferies.

Poles: Intermediate, Dayton Gorsline, Anthony Udchitz, and Larry Johnson; Juniors, Ralph Johnson, Kathy Jefferies and Kim Donally.

Junior Novelty: Potato Race--Kim Donally, Randy Sheridan, and Tommy Sharkey.

Steer Undecoration, won by Jackie Harke and Cattle Penning -- Jean Gilbert and Roddy Sinclair; Jackie Harke and Eddie Sheridan; Doug Donally and Dayton Gorsline.

Very little of the executive race shall be mentioned except it was won by Bill Sheridan and Jackie Harke.

This will more than likely be the last gymkhana for the season so will add a hearty thankyou for all who came to ride, the spectators and the boys who were working the gates, ground crew, Doug and his cow herd, Mrs. E. Kroth and Mrs. Sinclair who helped time on Sunday, the timers from our own club.

There will be meetings and socials from now on so don't forget to come and enjoy an evening out.

We have changed the date of our banquet and trophy night to a later date as it interfered with another banquet. The new date is October 27th. We'd like to see everyone come for the supper and dance. You are all most welcome.

A thankyou to the editor of The Western Review for the coverage your mighty little paper has given us.

Residents Urged to Take Advantage of Clinic Visit

The TB Mobile Clinic returns for your sake. For my sake you say. Yes because we do not want this

area to be known as one where TB is prevalent do we? Why not make use of the monies from the sale of Christmas seals? This is what it is for.

The Mobile Clinic is returning to accommodate those people missed in August due to mechanical breakdown.

The films taken here did not turn out because of the faulty machine. Therefore we urge all those persons who were X-rayed and had a positive tuberculin reaction to return for another X-ray. Any one may return but especially those with the positive reaction.

No appointments are needed to attend. The hours on Thursday, September 21st are from 6:30 to 6:45 p.m. and on Friday, September 22nd from 1:30 to 5:00 p.m. and from 6:30 to 8:45 p.m.

These X-rays can turn up heart conditions, cancer and other chest conditions as well as T.B.

Remember your health is so important to yourself, your family, your employer and your community so please try to attend the return of the TB Mobile Clinic for Your Sake.

Thankyou.

Our farmers are very busy taking advantage of our lovely harvest weather. The sound of tractors and combines can be heard everywhere.

A reminder that winter may be lurking around the corner came this week, when most gardens and flowers were nipped by frost.

The grade twelve graduating exercises, banquet and dance was held at Breton on Saturday evening, September 16th. A number of our local young people graduated so the event was of interest to our district. We offer our congratulations to these young folk who have successfully completed high school.

Takes Office**

George B. McClellan, Alberta's new ombudsman and the first person to hold such a position in North America, assumed his duties as "representative of the public", effective September 1st.

Mr. McClellan has quarters temporarily in the Legislative Building. Permanent offices for the ombudsman and his staff will be located in the Centennial Building, in downtown Edmonton.

In his official capacity, Mr. McClellan will receive complaints from any persons relating to any action or decision by any Government of Alberta administrative department, branch or agency. He is empowered by statute to conduct any investigation necessary, recommend remedial action if it is considered justified, and to report and make recommendations to the legislature.

Mr. McClellan says that as ombudsman he intends to be accessible to all people on an informal basis as possible, with the hope that many problems may be solved without lengthy official inquiries.

The ombudsman's staff is expected to include legal and investigative personnel.

**Pulmonary Emphysema
Responsible for Losses**

Losses up to 35 per cent can occur in cattle suffering from pulmonary emphysema, a disease which most frequently occurs in the late summer and fall.

Dr. F.E. Graesser, Supervisor of the Alberta Veterinary Services Edmonton Laboratory, reports that the cause of pulmonary emphysema is not definitely known but it is believed to result from an allergic or "asthma-like" reaction associated with sensitivity to some substance or substances present in many plants.

Most deaths occur about seven days after cattle have been moved from poor, dried-up grazing land to green pastures. However, they can occur as early as six hours or as late as ten days after the symptoms of pulmonary emphysema appear.

Laboured breathing, grunting, coughing and gasping for breath with the tongue protruding are the main symptoms. These symptoms can come on very suddenly, says Dr. Graesser. Excitement and physical exertion seem to aggravate the trouble and can result in sudden death for the afflicted animal.

Allowing a period of adjustment for cattle being moved from poor to green pastures is the best safeguard against pulmonary emphysema, according to Dr. Graesser. He recommends allowing the animals to gradually become accustomed to the change by letting them on to the new pasture for a short period each day for about a ten day period and providing them with alternate feedings of good quality hay.

He also strongly advises anyone who suspects that his

cattle may be suffering from the disease to contact his veterinarian immediately. Some animals respond to the appropriate treatment.

SHOULD MOTHERS WORK?

A common subject of controversy is whether or not mothers should work. The Mental Health Association doesn't take sides, but it will give you a pamphlet, free for the asking, that will help you, if you're a working mother, to handle both your jobs better. Write for "Mothers at Work" to the Canadian Mental Health Association, 619 Revillon Building, Edmonton.

Amateur Football Week

OTTAWA--With the football season in full swing, Health and Welfare Minister MacEachen today invited Canadians at all levels of ability and interest to observe the third week of September as "Amateur Football Week".

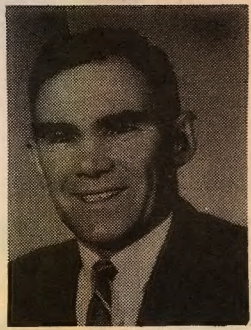

Mr. MacEachen, through his personal and departmental interest in the Fitness and Amateur Sport Program, expressed his continuing support of amateur football, and pointed to his department's support of the game.

"For the past three years," said the minister, "Amateur Football Week has been conducted under the auspices of the newly-organized Canadian Amateur Football Association. Each year has proven more successful than its predecessor."

"Nearly 150,000 boys are currently playing amateur football in Canada. From it they are receiving guidance in discipline and team co-operation, as well as the positive benefit of increased physical fitness. It is toward these increased fitness levels that our Fitness and Amateur Sport Program is aimed. And it is because of this aspect of amateur football that I heartily endorse "Amateur Football Week"."

POOL CLOSES

The Drayton Valley Swimming Pool will close for the season on Friday, September 22nd at 9:00 p.m. It was a splendid swimming season. For the most part, the weather was ideal and the facility was used to a maximum with a seasonal attendance of over 40,000 swimmers.

The water safety and instructional program was the best ever presented at the local level. This program offered more varied and diversified instruction than any other presented at the local pool in the past. There was the regular Red Cross Water Safety instruction which was carried out at all levels. We had an excellent class in the Royal Life Saving Society program with many local persons obtaining various awards from the Society. Among other phases of instruction we had Survival Swimming and instruction in canoe safety. No report on our instruction and training program would be complete

without the mention of our Senior Leader Corps. This group consisted of thirteen young people who worked at the pool on a volunteer basis during the past summer. Among other things the members of this Leader Corps assisted in the Red Cross instruction and took part in different phases of training which are instrumental to their qualifications as future Senior pool personnel. Here it must be pointed out that the members of the Leader Corps did a tremendous job for us and the success and smooth operation of our whole summer program can be attributed in no small way to the dedication and sense of responsibility of those young people. To each and everyone of this group we wish to express a sincere thanks and we hope that many of them will continue their training in this field to become our supervisors and lifeguards in the future. The members of this year's Senior Leader Corps were Doug Steves, Glen Swanlund, Joann Hansen, Joan Chenery, Barbara Henderson, Rickey Pajak, Jill Kerr, Janine LaBranche, Jack Palmer, Vernon Phillips, Carey Selin, Guenda Steves and Neil Samis.

A complete and final report on this season's pool operation will be published at a later date when all data is compiled after the close of the facility.

CANOE SAFETY DEMONSTRATION

A canoe safety demonstration will be presented at the swimming pool on Thursday, September 21st at 8 p.m. The demonstration will be presented by the pool staff under the direction of Miss Cathy Carlyle. Cathy has specialized in canoe safety training in the Y.M.C.A. program and I am sure she has some very valuable tips to pass on to us. Everyone is welcome. That is at the Drayton Valley Swimming Pool, time 8 p.m. Thursday, September 21st.

FOOTBALL NOTES

Prognosis in football is not practical to say the least, however, two things seem fairly certain at present. One: the B.C. Lions will not win the Grey Cup this season and two: the Drayton Valley Packers will not win the Edmonton City League championship in 1967 at the Junior Bantam level. The Packers got their first taste of league action last Sunday at the Lion's West Valley Park when they faced one of the powerhouses of the league in the Ladies Quarterback Bees. The Bees went home with a 46-0 victory as they had things pretty much their own way especially during the first half of the play. The Edmonton team engineered their attack around the ends with some crisp blocking and the Packers were unable to contain the power. Neither could the local Green squad get anything going for them offensively throughout the game.

Nobody should be dismayed by this first start, however, because the Packers were up against the best in the league and the worst could be expected. The Packers have the potential to compete in this league and with more hard practice

practise and another game or two this team can be on a par with the average teams in the league.

Next Sunday the Packers travel to the Jasper Place Sports Centre where they will play the McCosham Vans in a regular scheduled league game.

On October 9th, Thanksgiving Day, the local team will host the Rio Terrace Panthers in a game at the Lions Park. Despite a rather dismal opener look for bigger and better things from the Packers in future games.

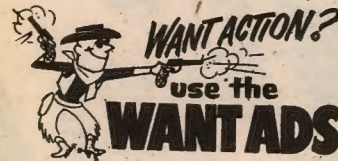

The F.M.H.S. Spartans travel to Stettler for a game on Saturday. The Spartans are playing on an exhibition basis this year and hope to enter the North Central Alberta High School Football League in 1968. Enthusiasm is high in the Spartan camp and we can expect to see some pretty keen competition at the High School level before the season ends.

The Pee Wee program is going strong. From now on there will be a couple of practise sessions and a couple of games a week. In two games to date we have failed to see a touchdown. The Stamps took the first one 1-0 and last Monday the Stampede again defeated the Eskimos with a safety touch providing the margin for a 2-0 victory.

The Mite footballers are out three times a week. Because of pressures in other phases of our program we had rather irregular practices last week, however, from now on we hope to set up a regular schedule and be able to follow through with the same. About thirty boys have registered for this portion of the football program.

ICE TIME

The next major item on the Recreation agenda is the opening and operation of the winter program in the Centennial Civic Centre. As you know one of the major problems in this respect is schedule. At this time we request any person group, or organization requiring ice time in the Civic Centre schedule to make their requests known to the Recreation Office at the earliest possible opportunity. The more information that we can compile at an early date, the better chance we will have to draw up a satisfactory schedule.

Golf Tournament

Reminder of the Men's Open Golf Tournament to be held this weekend. Get entries in by Friday to Howard Ganske or Stan Metelski.
